Uasin Gishu County Eldocleaners

Clean Communities. Sustainable Solutions. A Greener Tomorrow.

COMPANY PROFILE & OVERVIEW

About ELDOCLEANERS

ESTABLISHED IN UASIN GISHU

2012

Uasin Gishu County Eldocleaners is a leading waste management and environmental solutions company dedicated to creating cleaner, healthier, and more sustainable communities.
Since our founding, we have been at the forefront of sustainable solid waste management, proving that corporate responsibility and commercial viability go hand-in-hand.
Our commitment to Uasin Gishu County drives us to continuously innovate, ensuring a safer ecosystem for generations to come.

Environmental Responsibility

Active circular economy principles integrated into daily operations.
Advanced sorting and processing designed to minimize landfill reliance.
Dedicated community-wide programs supporting local sanitation and hygiene.

Social Impact & Affordability

Equitable services designed to fit both public and private sector budgets.
Job creation and vocational training focused on local ecological initiatives.
Responsible, safe recycling networks that empower local neighborhoods.

COMPANY PROFILE

Defining Our Purpose & Path

Our goal is to deliver affordable and responsible waste solutions for a greener tomorrow in Uasin Gishu County.

MISSION

To deliver sustainable, affordable, and environmentally responsible waste management solutions through efficient waste collection, segregation, recycling, and community engagement.

VISION

To be the leading sustainable waste management partner in the region, fostering a zero-waste future.

SERVICE PORTFOLIO

End-to-End Waste Solutions

Eldocleaners delivers comprehensive, modern environmental services across Uasin Gishu County—spanning safe residential collection, high-yield recovery, and strategic advisory.

THE ELDOCLEANERS COMMITMENT

We bridge the gap between operational waste logistics and long-term sustainability to protect our communities and ecosystems.
